

Relationships with Healthcare Organisations, Patient Organisations and Healthcare Professionals

Healthcare and Patient Organisations

CSL Behring makes available a number of grants to Healthcare and Patient Organisations. Grants are made in accordance with the requirements of the ABPI Code of Practice for the Pharmaceutical Industry. They are given only in order to maintain or enhance patient care, to benefit the NHS or to support research. They are not provided to individuals for their personal benefit nor are they given as an inducement to prescribe, supply, administer, recommend, buy or sell any CSL Behring product.
