

# Prof Heimburger Awards 2022

## Applications are open

The Prof Heimburger Awards were established in 2008 to inspire the next generation of coagulation specialists and support novel research into haematological disorders.

Each year, 5 winners receive a grant of €20,000 and the opportunity to present their research at the annual Award Ceremony.

### How to apply

- **Closing date:** 1st November 2021
- **Eligibility:**
  - **Emerging investigators**, including those with PhDs, in the fields of coagulation, thrombosis and acquired bleeding disorders
- **Application process:**
- Contact the Regional Medical Affairs Manager to request a short application form:
  - If you are in the **North England, Scotland or NI** contact: [nisa.khan@cslbehring.com](mailto:nisa.khan@cslbehring.com)
